

ROBERTO COIN SIZING GUIDE

BRACELETS

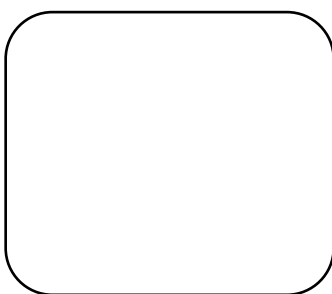

Use a tape measure or flexible ruler, and measure in millimeters.
To avoid uncomfortable fits, do not pull the ruler too tightly when measuring.

RIGID SQUARE BRACELETS

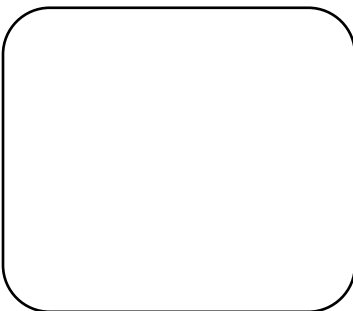

Measure the width and height of your wrist independently and refer to sizes below (wrist height x wrist width):

Small: 43x53 mm

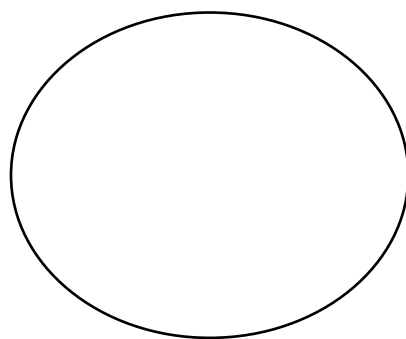

Medium: 46x56 mm

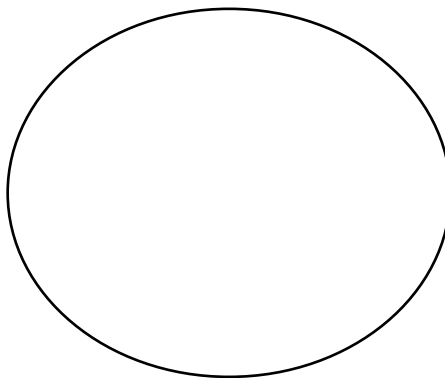

Large: 48x58 mm

RIGID OVAL BRACELETS

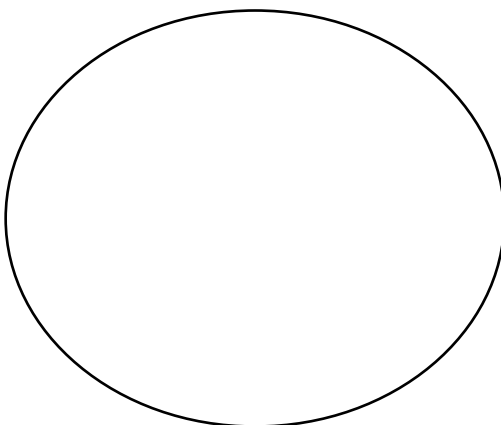

Wrap the circumference of your wrist and refer to sizes below: (wrist height x wrist width):

Small: 46x56 mm

Medium: 48x58 mm

Large: 50x60 mm

SOFT BRACELETS

Wrap the measure around your wrist and refer to sizes below:

Small: 170-175 mm

Medium: 180-185 mm

Large: 190-195 mm

The size of the soft bracelets might slightly vary depending on the design of the jewel.
